Good read, bad price

By John B

I am not sure if the price is anyone's choice in particular, but a few dollars for 6 pages is not that great. Luckily for whoever set that price, I needed another book for my paper and in that regard the analysis was pretty good and proved to be a good source to help me in my writing.

Great

By Lanise R. Washington

I ordered it on Kindle. The product was great for my son. He used the book for School! It helped him understand the book!
