Get this book!!!!

By Tim

This book is awesome. It has detailed charts and explanations of most every scale you would need as well as all the major/minor and power chords. This book has exploded my playing, and I'm now gaining a better understanding of playing bass lines off the cuff in various keys. I would recomend this book for the beginner or the old pro. Add this to your library and keep on rockin'!!

Easy read, great tool

By Sam G, PTA

This book is short and sweet and explains very simply how to play in all modes and scales. If you are beginner, intermediate or beyond, this will help you develop bass chords as well as how to play in scales that will make you sound like the best bass player on the block.
