BEARLY CURSED: A BEAR-SHIFTER ROMANCE (FAIRY TALES WITH A SHIFT) BY CARA WYLDE PDF

A retelling of East of the Sun and West of the Moon

Girls my age usually spend their days dancing, singing, and dreaming of Prince Charming. Not me. I spend my days hunting and praying my poor parents and my dear sisters survive another harsh winter.

I never expected to find the solution to all my problems in the cave of the white bear I was hunting. My parents will never starve again, and my sisters will get to live that life of dancing and singing, but there's a catch: I must become the wild beast's wife. Giving up my freedom, accepting I'll never feel the warm touch of a man... it's all worth it for my family's happiness. So, I let the beast lock me up in its icy castle, and I get ready for a life of boredom and sacrifice. However, when my first night in the white bear's home turns into a passionate encounter with a mysterious stranger, I understand my life will be anything but boring.

"Bearly Cursed" is a sizzling hot standalone novella that might just set your Kindle on fire. Intended for readers 18+.

Approximate word count: 14,000 words

Thoroughly enjoyed :)

By CelticWolf9

Bearly Cursed is the second read for this author, with a gifted copy for review.

The story is about Brenda, whose family is struggling in hard times. She decides she wants to kill and skin the Bear she sees to use its pelt for warming herself and sisters, knowing the coming winter will be hard for them. She does shoot it and follows it into a cave discovery wealth beyond her dreams. The Bear makes an offer she can't refuse to benefit her family and stays with the Bear in his Castle within a mountain.

It is somewhat similar to 'Aimee' but this Bear refuses to let her see him at night, so she has no idea what he looks like.

Brenda has to decide if after the time spent with both Bear and man, if she will risk knowing what he looks like. You will have to read the rest. :)

I did enjoy this story and their HEA ending for all characters.

So thank you Cara, now I'm onto Trapped In A Gilded Cage. :)

Good Fairy Tale

By Judy Lee

Although Bearly Cursed wasn't a typical shifter story it was an entertaining fairy tale. I would expect the "Fairy Tales with a Shift" series to be fairy tales...not so much shifter stories.

I'm not familiar with this author, but really like her style and will read more of her work.

Her second book of this series is now available and I look forward to reading it.

If you are looking for a good fairy tale romance then I recommend this book.

Ok, but needs development

By Karen Smith

This tale is reminiscent of both the Polar Bear King and the legend of Sir Gawain and Ragnel. It tries to be erotic, but doesn't quite make it. The story proceeds at a breakneck pace and would benefit from better character development, such as Robin McKinley's BEAUTY. This is a nice effort that needs another run it two through the typewriter. There's more than enough material here to expand the tale into a true novel.
