To save her son and people from a deadly enemy, Lady Katherine Stanfield marries her former betrothed, a man she'd betrayed but has never stopped loving. Katherine has never revealed her reason for the betrayal and now, five years later, believes her secret is safe.

Someone won't let the past rest. Someone with a secret of his own. She must stop that "someone" because he wants Katherine and her new husband dead.

Betrayal

By Joyce

I liked the historical aspect and detail of this novel; it moved along well and kept my interest all the way; I also like the decent way the sexual areas were handled. I don't like novels that include the vulgarity that seems to prevail now.

fun historical romance

By A Customer

In 1122, William Norris dies in combat after betraying an ally. He leaves behind his pregnant wife Lady Katherine Stanfield, who would prefer the odious man, went to hell, but for the sake of her soon to be born child she gives him a Christian burial. Less than two weeks later, Katherine gives birth to twins with her daughter dying in childbirth. At about the same time Lord Ranulf invades the keep with plans to make Katherine his wife. She flees leaving behind her dead child so Ranulf will not know that a son lives.

Her loyal Commander Sir Guy takes her son into hiding while she asks her former betrothed De Lauren for help. He agrees on the condition she marry him right then. He retakes Stanfield keep, but the slaughter of innocent people and the destruction of property are horrifying. De Lauren buries her daughter because he does not want the woman he loves but mistrusts to see that Ranulf decapitated the infant. As Katherine realizes she too loves her spouse like she did when she broke off their engagement five years ago, Ranulf plots to assassinate De Lauren and make sure his enemy's loyal brother Stephen thinks Katherine betrayed them again.

Though Ranulf is a too over the top psychopath (asks his late wife as he literally bled her dry), medieval romance readers will welcome this fine twelfth century tale more so because of the hero, who seems so realistic especially his code of justice. The excitement in the entertaining story line resides in anticipating the confrontation and learning why Katherine broke off with De Lauren and defied her father to marry an odious Norris. Karen Fenech writes a fun historical romance.

A Midieval Miss Congeniality

By Jo Marie

Karen Fenech is a creative genius when it comes to writing historical romantic suspense. Betrayal took me on an unforgettable adventure that stirred my heart and dazzled my imagination.

Lady Katherine Stanfield is strong, passionate, and one of the most likable and believable characters I've met in a very long time. Kind of a Midieval Miss Congeniality. The dialogue was authentic to the Renaissance era, the action and drama were perfectly weaved together to make me feel completely surrounded and swept away in this intriguing and exciting journey of Knights, Lords, Ladies, and Betrayal.
