My first Grisham book, but not my last.

By Babette d'Yveine

This is the first Grisham book I have read, but it won't be the last. I found it gripping, and couldn't put it down. It completely eviscerates the Texas judiciary system, but, as Mr Grisham noted, nothing is going to change. I was unhappy with the sad ending, and cried in a couple of places. It makes a strong case against capital punishment, which I consider barbaric and primitive.

John Grisham always finds a story where you root for ...

By Angela Lunn

John Grisham always finds a story where you root for lawyer and his journey. This is story where the twists and turns cause you to chase the pages to find out what is happening with the characters.
