Review

"The chronological, sequential approach to presenting presidential biographies, and the content, is unique and enlightening." - ARBA

"Volume 4 ends with a section titled "Powers and Process of the Presidency," which details the evolution of the presidential powers and function of the executive branch. This thorough volume offers high-quality information and features time lines, graphs, and some charts. Overall, it is a fine example of a reference work that provides historical information useful in all types of libraries. Summing up: Highly recommended." - Choice

"Its usefulness as a convenient "one-stop shop" for all things presidential makes this a valuable resource for high-school and undergraduate collections seeking to fill a niche or support history and civics curricula." - Booklist

"A welcome addition to any library looking to provide patrons with a one-stop resource on all of our nation's commanders in chief. It contains a wealth of information and will be a good starting point for related research." - Library Journal
