Great book!

By Claudio Racciatti

Clear, great explanations, I would recommend this book for anyone who wants to understand consumer behaviour. Not so basic but neither excessively complex.

0 of 0 people found the following review helpful.

Too mant typos in ebook!

By Bree J. Morrison

Good content but a number of typos that make the book less quality. I hope someone who can edit the ebook reads this and fixes the many typos. Distracting when reading. Low price should not mean low quality.
