Drawing Straws: Tork, Sean Michael

By Jere Adams

Oh, me! Book 3 has been hard to read, because of Damon's illness, and also because I've seen it firsthand in my family. However, The author has done a masterful job of illustrating that love can conquer so many hurts and concerns. And these guys (I'm thinking of them as real, a testament to the author) are awesome! It makes me wish I could be part of such a group in real life. Love is such a beautiful thing, especially when four guys are involved! Thanks, Sean, for reminding us.

Perfect

By sue bowdley

Absolutely amazing.....Although Damon is half way through his chemo sessions he still pushes to meet at the cabin to draw straws.....Tork is the lucky bottom.....There isn't as much sex in this one as a lot of their attention is to look after Damon....I loved this one though...They truly are all meant to be together...A perfect story and next we'll get Damon who hopefully will be fully recovered x

Another great one! I just love this group of guys! I keep checking (not stalking) this author's FB page to determine when the next one in this series is to release. The whole series is worth the read and if you have not read them all by this author, get them now! They are HOT but the connection and love between these

characters is fabulous. **HIGHLY RECOMMEND**
