Highly recommended.

By Roger R.

My wife who is a nurse loves it. She says it is worthwhile. Highly recommended.

0 of 0 people found the following review helpful.

Very useful book. Normally I rent textbooks

By Lyndsay Reed

Very useful book. Normally I rent textbooks, but I actually bought this one because I knew it would become a staple of my nursing library. The pictures are useful and they review the stuff you might've forgotten from Anatomy and Physiology.

1 of 1 people found the following review helpful.

I would like to keep throughout my career

By S.H

very helpful text, my only regret is renting this book. I would like to keep throughout my career.
