## Amazon.com Review

In the epic trilogy His Dark Materials, Philip Pullman unlocks the door to worlds parallel to our own. Dæmons and winged creatures live side by side with humans, and a mysterious entity called Dust just might have the power to unite the universes--if it isn't destroyed first. The three books in Pullman's heroic fantasy series, published as mass-market paperbacks with new covers, are united here in one boxed set that includes The Golden Compass, The Subtle Knife, and The Amber Spyglass. Join Lyra, Pantalaimon, Will, and the rest as they embark on the most breathtaking, heartbreaking adventure of their lives. The fate of the universe is in their hands. (Ages 13 and older)

## Review

"One of the supreme literary dreamers and magicians of our time" The Guardian "Philip Pullman. Is he the best storyteller ever?" The Observer --The Observer

## From the Inside Flap

\*\*\*\*\* Just announced! THE BOOK OF DUST, the long-awaited new work from Philip Pullman, set in the world of His Dark Materials, will be published as a work in three parts, with the first volume to arrive in October 2017! \*\*\*\*\*

The Golden Compass, The Subtle Knife, and The Amber Spyglass are available together in one volume perfect for any fan or newcomer to this modern fantasy classic series that has graced the New York Times, Wall Street Journal, San Francisco Chronicle, Book Sense, and Publishers Weekly bestseller lists.

These thrilling adventures tell the story of Lyra and Will—two ordinary children on a perilous journey through shimmering haunted otherworlds. They will meet witches and armored bears, fallen angels and soul-eating specters. And in the end, the fate of both the living—and the dead—will rely on them.

Phillip Pullman's spellbinding His Dark Materials trilogy has captivated readers for over twenty years and won acclaim at every turn. It will have you questioning everything you know about your world and wondering what really lies just out of reach.

Honors and Praise for His Dark Materials:  
An Entertainment Weekly All-Time Greatest Novel  
A Newsweek Top 100 Book of All Time

"Arguably the best juvenile fantasy novel of the past twenty years." —The Washington Post

"Very grand indeed." —The New York Times

"Pullman is quite possibly a genius." —Newsweek

A must read for me! Beautiful story!

By Amazon Customer

I thought this trilogy was absolutely beautiful and that the progression was true from the first to the last book. I read some reviews where people hated the third book. Did the main characters change? Certainly, but don't we all? Maybe it's because I read them all in a row immediately after one another, but I thought it all worked. Some of the transitions overall may have been a little rocky. But, I just loved the whole story so much, I guess it may have been easy to overlook.

Semi-spoiler alert: As far as people getting worked up about the anti-religious elements to the third book, I don't know how they didn't see that coming. Why they waited to get upset about it on the 3rd book, I couldn't say.

slow at parts, but worth it

By The Mental Drifter

The storytelling slowed down to such a pace that, at times, I would lose interest. This mainly happened in the first book, but also a bit in the second and third. But the pay off for pushing through was a good story. It felt lived in, experienced. I felt like I was sitting down with an Elder listening to a secret story from their life. That requires a good storyteller to accomplish. The only reason I have given it 4 instead of 5 stars is the slower parts where I had to carry myself through the story instead of the story carrying me along.

Fitting Conclusion

By RK

Not as good as the second book but still decent. The beginning leading up to the big showdown upon finding Lyra was exciting. I also liked the description of the various beings from different worlds. The middle was a bit slow and there were some elements of how characters were saved or won their battles were too convenient. The end was also not as exciting as I'd hoped but still overall I enjoyed the book. I'd give it a 3.5
