Buy 2 copies! You'll need the extra.

By J. Hassan

It's so difficult to express what a blessing this book has been. I've been reading Rivera's blog for some time, and hoped for so long that she'd write a book. Finally, here it is! Rivera's connection - her intimacy - with God is readily apparent, and as I read her words, I wasn't left feeling like, "God is speaking to me." Instead, I felt like, "How I wish I knew God that well!" And I think that's God's mission here: He has used Rivera to draw me into a closer relationship with Him. As I witness her bonding moments with the Holy Spirit (who she knows so well, she doesn't even have to use the word "the" and just refers to Him/Her as "Holy Spirit"), I'm motivated with a desire to immerse myself in God's Word. I want Him to settle into my soul. I want to experience intimacy with the One who created me. It is because of Rivera's writing that I came to the realization that God really does see ME, know ME, and want ME.

I bought extra copies of this book because as I read it, I could think of so many others who needed to read it. I've been handing it out, but requesting it back so I can hand it out again! That said, I've clung tightly to my

own copy and carried it with me so I can peek often at some of the words that I need to be reminded of. When life gets hairy, I can look at this book and remember immediately that God sees me and knows what I'm going through, and that there's purpose in it all.

I highly encourage you to buy a copy of this book for yourself, write in it, highlight it, and dog-ear the pages. And buy an extra one to pass to your friends. I'm sure you'll think of at least one who will benefit from it, too.

#Impact

By Amy Tennison

The times in my life when I've been "hooked up" with God, amazing things have happened and the complete fruits of the spirit were upon me. As of late, I've had a major disconnect and have been "stuck" in a pit that has completely taken over my life, my spirit and has affected every area of my life from my identity to my relationships. So much so, that I have completely isolated myself from everything in my life. Intimacy: into me You see has sparked a change in me to help me bridge this complete disconnect in my life. By sharing her story, Rivera Douthit not only gives you a very honest account of her own story, but also helped me take a deep hard look into my own life and helped me get back to the disciplines of getting back to God's word and allowing God to once again take center stage. I strongly recommend this book for anyone feeling "stuck" in life, it has been a tremendous blessing to me at this stage of my life.
