Yes, even for the money paid, 3 stars.

By wenniegirl-Tris

You MUST be a huge Orton fan to even want to buy this. I'm sorry, I wanted a bit more. It's rich, informative and extensive in it's research, no doubt. I find it bare and without any illuminating facts about Orton. I've read this all before. How ever, It's a nice addition to my collection, quite bare without it in an Orton collection, really. Used mostly in a lexicon fashion.
