KRISHNA DAS: BREATH OF THE HEART (KIRTAN CENTRAL'S CHANTCYCLOPEDIA SERIES, VOLUME 1) BY KRISHNA DAS PDF

This first volume of Kirtan Central's "Chantcyclopedia" series features songsheets in two notation styles (Western and Indian) for all the songs on Krishna Das' "Breath of the Heart" album. Each chapter is illustrated with rare photos from Krishna Das' times in India with Maharaji, and exclusive behind-the-music stories from Krishna Das, illuminating how the songs were composed, what the mantras mean, and lots more. The songsheets are adorned with beautiful original deity artwork by Jennifer Mazzucco.

Six Krishna Das songs from "Breath of the Heart" are featured:

1 - Baba Hanuman

2 - Kainchi Hare Krishna

3 - Ma Durga

4 - Kashi Vishwanath Gange

5 - Om Namoh Bhagavate Vasudevaya

6 - Vrindavan Hare Ram

- Sales Rank: #1160131 in Books
- Published on: 2012
- Binding: Paperback

Not what I expected

By M. Rossman

I love KDs music, but this book could have done a better job of showing how to play KDs songs. In KDs Baba Hanuman, for example, the book skips the entire prelude to the song. Why would they do that? If you purchase sheet music, you expect to be given sheet music to the entire song. (BTW KD plays a CG chord, and then a CF chord through the introduction of Baba Hanuman.) KD uses chords throughout most of his songs on the harmonium. However, this book gives only THE NOTES KD SINGS, and not the notes and chords that he correspondingly plays on the harmonium. So if the buyer attempts to play the song as written in the book, it will not sound at all like what KD plays on his tracks. Furthermore, the title "Chantcyclopedia" for \$25 gives the buyer an illusion that he is buying a thick volumed book packed with information about kirtan chants. In fact, this thin floppy book has less pages and substance than a Time or Newsweek magazine.

A most enjoyable learning and reading experience

By Matthew Bogusz

Daniel Tucker's *Breath of the Heart* is a songbook containing all the tracks on KD's most famous album. It's also a storybook, which is an added extra. Both combine to make a great reading and learning experience.

Awesome!

By Amazon Customer

I have been playing harmonium for about a year and this book is perfect. I love that it has both the sargam and western notation and, as a KD fan, it was great to be able to finally play chants that I already knew. Daniel's layout makes the music really easy to pick up. If you are looking for comprehensive harmonium instruction, I also highly recommend Daniel's "Learn to Play the Harmonium" book and CD set as well as his *Bhakti Breakfast Club* ([...]).
