PATTERNS PLUS: A SHORT PROSE READER WITH ARGUMENTATION BY MARY CONLIN PDF

Arranged rhetorically, this anthology of short essays and paragraphs suits both essay-level developmental writing and freshman composition courses. Each chapter focuses on a different rhetorical mode, from narration and description to process writing. Three features make PATTERNS PLUS: A SHORT PROSE READER WITH ARGUMENTATION a perennial best-seller: an engaging mix of nonfiction, fiction, and student essays with careful consideration of multicultural issues; a strong pedagogical apparatus that helps develop comprehension, analytical, and writing skills; and clear presentation of the writing process and paragraph/essay structure. The tenth edition includes new student readings, as well as works by well-known writers such as Woody Allen, Stephen King, and James Baldwin. Updated pedagogical tools offer students exactly what they need to master the content, including pre-reading, vocabulary, and post-reading questions that test comprehension and encourage critical analysis of each selection.

A Simple Reading Skill Booster.

By Eddie Banuelos

I got this book for college, and I enjoyed reading it. I think it explains the basic rules to properly analyzing readings, such as essays and short stories. In addition to that, the books comes with sample stories and essays that help its readers better understand important concepts of analytical reading. After reading this book, I could easily scan the text off a document or book. I highly recommend this book to people who want to boost or refresh their reading skills.
