Or, numerous additionally like reading this book [Pretty Theft By Adam Szymkowicz](#) because they truly need to read this publication. It can be the one that actually like reading.

PRETTY THEFT BY ADAM SZYMKOWICZ PDF

Drama / Characters: 3m, 4f Pretty Theft is a play about ballerinas, boxes and the dangers of beauty. After losing her father, Allegra falls under the wing of bad girl Suzy, only to find an unexpected friendship with Joe, an autistic savant. When things take a violent turn, Allegra and Suzy escape cross country and befriend Marco, a mysterious thief who claims he cannot be caught. "Disturbing but touching...Mr. Szymkowicz writes quirky plays about contemporary topics like online dating and gender roles, but there always seems to be something - a knife, a rope, a dead body - in an unexpected place. In Pretty Theft, the undercurrent of danger goes beyond quirkiness; it's more subtle and ultimately more horrifying. The play takes place in a terrifying world where reckless people get hurt, and so do more or less innocent bystanders." -The New York Times "Szymkowicz has not only taken the notion of theft and flipped it on its head - he's taken a story about human beings at their worst and shown how we can claw our way back from the brink by finding the good within ourselves." -The Villager "Adam Szymkowicz has written a play full of interesting people...The dialogue and humor in this play are excellent...It runs a lean, intermission-less 90 minutes and is very satisfying...This would be good theater for young women not only to see but also to perform." - NYTheatre.com

Highly Recommended

By Emily Rubin

This play is wildly brilliant. One of Szymkowicz's darker pieces, Pretty Theft creates unique characters that are all fascinating; however, each role still remains grounded and oddly human. This script is a hard one to put down, as it explores the more upsetting aspects of the human spirit and the way cruelty can often lead to self-discovery. This playwright masterfully creates a contemporary dystopia that will have you talking about it for months after you finish the last page. Order it now, because I'm not lending out my copy :)

Ballerinas and Bastards

By Brently Rosenthal

"Pretty Theft" is a wonderfully constructed dramatic instrument. Tightly strung together, it scratches notes

of Shepard and Strindberg, while all-the-while playing its own dangerous fugue toward an unforeseen end. If you haven't read Adam Szymkowitz, do so immediately.
