Worth the wait! I absolutely love Ru and Gray!!!!

By Dixiecowgirl060

i have been waiting almost a year for Ru Maitland's story in Prince of the Playhouse! I fell in love with Ru back in the first book of the Love in Laguna series, Knight of Ocean Avenue! Now i happily admit that i loved the first book, frequently listen to it on audible and enjoy it each time.. however, my heart belonged to Ru.

Ru has an intriguing makeup of strength, empathy, vulnerability and style. i loved his support and loyalty to Shaz in book 1 and it was wonderful to experience his story and watch him become a loved man in book 3 of the series. Ru and Gray are explosive together! You can feel their emotions and heat between them. Both men have worked so hard to get to this moment in time and they both are wonderfully developed characters. Very human and i immediately loved Gray for Ru.

I received a ringside seat watching Gray work on his role of Hamlet and i loved how Ru shared his insights of the play and the emotions of the play. I gained a new appreciation of the play. Gray had some hard choices

to make regarding being the symbol that reflects his media image or the man that he truly is and you can feel his conflict. His sense of responsibility to those that work for him and his desire to make his parents happy was touching. I loved Gray's mom! Gray is an honorable man and does resolve his conflict beautiful. My heart hurt with watching Ru struggle with how much of himself can he give without being in a relationship that is acknowledged in public. He understands struggle and he is such a beautiful soul with a haunted past. I love that he wasn't perfect and that we get to see how amazing Ru really is. The chemistry between Ru and Gray was tangible and so hot!!! Ultimately Ru and Gray make their HEA and my heart was filled with joy.

The writing was beautiful and I enjoyed seeing Billy and Shaz in the backstory of this book, it was like welcoming old friends. This book was rich with so many interesting characters and I am looking forward to hopefully new stories about some of them.

Another Winner From Laguna Beach

By Liz B.

Another winner from Tara Lain in the "Love In Laguna" series...and I do hope the series goes on...and on...and on...once you meet the principal characters in each book and fall in love with them, it's nice to see them reappear in the next book. This one features Ru, fashion designer working for Chase Phillips, known as Shazz. We've seen glimpses of him in the two previous books, but this one reveals his strange past...no, I'm not going to say any more. Read the book, I stayed up till 2:30 last night to finish it. I'm a sucker for romance, and a good dose of hot sex doesn't hurt either.

Fabulous series!

By LCB

I've read the first two books in this series a couple of times and again before reading the third, Prince of the Playhouse. There are fantabulous comfortable-in-their-skins sweet men and gorgeous questioning- their-true-identity men. Through trial and error, ups and downs, they each find their heart's desire and very "happy endings" (smile!).

Tara Lain is a wonderful author. Her writing unfolds the reader into the lives of each of her well developed characters. A truly gifted story teller.
