Incredible, undersea detective-like true adventure

By Dennis M. Yohe

Wow! Fascinating how they were able to dive so deep at that time to search that U Boat for clues to identify it and learn why it was there when it was supposed to be thousands of miles away.

This is a great non-fiction book

By Sandy Dinnsen

This is a great non-fiction book. I couldn't put it down.

Clive Cussler said it best in his description of the book: "An engrossing saga of the suspenseful, intriguing, and

dangerous underwater investigation of a mystery U-boat." I never imagined that I would love a book on this topic.

It kept my interest from beginning to the end.
