SOLDIER 'I': THE STORY OF AN SAS HERO (GENERAL MILITARY) BY MICHAEL PAUL KENNEDY, PETE WINNER, ANDY MCNAB PDF

No publicity, no media. We move in silently, do our job, and melt away into the background. If you have the stamina, the willpower and the guts, we'll welcome you with open arms and you one of us. And if you haven't, then it's been very nice knowing you.

Eighteen years in the SAS saw Pete Winner, codenamed Soldier 'I', survive the savage battle of Mirbat, parachute into the icy depths of the South Atlantic at the height of the Falklands War, and storm the Iranian Embassy during the most famous hostage crisis in the modern world.

For the first time Pete also details his close-protection work around the world, from the lawless streets of Moscow to escorting aid convoys into war-torn Bosnia. He also unveils the problems of Post-Traumatic Stress Disorder faced by many Special Forces veterans, and how he battled his own demons to continue his roller-coaster career. This is his story, written with a breathtaking take-no-prisoners attitude that brings each death-defying episode vividly to life.

Five Stars

By rotem bitton

funny as hell...

2 of 2 people found the following review helpful.

One of the best military biographies around!

By Mark

This has to be one of the first SAS biographies, it covers selection, Falklands, Iranian embassy as well as individual moments in his life. And what a life! I've bought this book twice and lent it out to so many people I've lost it! This is the original Andy McNab.

An SAS Trooper's Autobiography

By PR Stempel

There are numerous autobiographies and other books by former SAS Troopers now on the Market. Unlike most, this superbly written book covers the author's entire career and beyond. He candidly details not only the events of his career - highs and lows, in a way that leaves the reader knowing what it was like in a very personal way. The author goes beyond the events to discuss the personal inner wounds, the emotional/psychological wounds of warfare and losing brother soldiers in combat.

The final chapters offers a view of what life offers yesterday's warriors when the uniform is taken off for the last time. There, we see that Kipling's "Tommy Atkins" rings all too true.

I highly recommend this book. It offers value to those who are interested in the SAS, Britain's little wars or military history in general. Serving military and combat veterans in particular may find a vehicle for coming to terms with their own experiences of war by reading this book.
