SURRENDER MY LOVE - Last in the Viking Trilogy

By Angie Mike

SURRENDER MY LOVE is the final book in Johanna Lindsey's "Haardrad Family" trilogy and while I loved the first two in the series, I didn't feel the same about this one. As usual Ms. Lindsey writes an action packed, adventurous tale, which was fast paced and never boring. The problem I had was with the romance which was almost non-existent. I have no idea when or how Selig and Erika fell in love since there was never a kind word or tender moment between them. Previously I'd thought Selig a giant, gorgeous, strapping hunk of a man with a great sense of humor and gentleness about him. Unfortunately that was not the case here and he turned into a vengeful, angry, and vindictive stranger. Erika was okay, but both characters lacked depth and were emotionally underdeveloped. Overall I didn't hate it, but it was definitely lacking as a love story and to me simply very un-romantic. The connection and passion between the hero/heroine, normally evident in this author's work, was missing here. Still a must read for all of Johanna's fans or any who've read the other books in the series (which were wonderful by the way) but otherwise, I'm sorry to say I wouldn't really recommend it.

Below is a list of the entire "Haardrad Family" series and reading order for those who don't already know:

Book 1 - FIRES OF WINTER (Brenna & Garrick)

Book 2 - HEARTS AFLAME (Kristen & Royce - only daughter of Garrick and Brenna)

Book 3 - SURRENDER MY LOVE (Erika & Selig - eldest son of Garrick and Brenna)

This book was ok, average at best.

By Jane

Surrender My Love is book #3 in the Viking series. It can be read as a stand-alone, but I recommend reading Hearts Aflame (book #2) first. The characters in Hearts Aflame have a significant role in this book and it's nicer to have read their story first. Besides, Hearts Aflame is a much better book.

This was an odd relationship. Selig wandered to Erika's home asking for help. He wasn't being himself due to injuries and fever. Erika had him lashed. He is soon rescued but wants revenge. So he asks his people to kidnap Erika which they do. For most of the book Erika is Selig's prisoner. He keeps her in chains in his bedroom. Selig makes threats and wants to punish her but he never does. She feels guilty, doesn't say much, and wants to leave. This set up was no fun. They don't get to know and like each other. They just have this tension between them for most of the book. Selig thinks he hates her. Then all of a sudden toward the end Selig and Erika are having sex and like each other. I didn't get to see why or how they changed their feelings. It was empty romance. Didn't do anything for me.

Narrative mode: 3rd person. Story length: 403 pages. Swearing language: none that I recall. Sexual language: mild. Number of sex scenes: 1. Setting: 879 England. Copyright: 1994. Genre: historical romance, Vikings.
