## TEASE BY TRISHA PAYTAS PDF

Author Trisha Paytas, best known for her explosive memoirs *The History of My Insanity* and *The Stripper Diaries*, takes her first leap into erotic fiction with the shocking new novel, *Tease*. Nineteen-year-old Mary is a typical college student, working occasional shifts at a local diner to make ends meet. There she meets Preston, an older man who sweeps her off her feet almost immediately. But happiness quickly morphs into fear when Mary realizes that Preston's sexual desires are mingled inextricably with his violent ones. As Preston becomes more and more domineering, never taking "no" for an answer, Mary finds herself torn between her own blind desire and Preston's terrifying violence. As she begins to view her sexuality as the ultimate form of control, Mary finds herself enjoying even the most depraved encounters. Whether falsely accusing her roommate's boyfriend of rape or carrying on affairs with married men, Mary gleefully begins flexing her own violent tendencies. With Preston's brutality escalating, Mary descends into a world where she is teetering on the brink of insanity. Will she ever break free from the cycle of lust and power? Or will Mary go crazy in the process?

A completely unbiased review

By Lilah

I have no strong feelings about this woman at all. Feel free to support her content, but don't write misleading reviews because you like her personally. This book is just bad. It is very poorly written, the characters don't make a lick of sense, people make decisions that no one would ever make, grammar errors galore, and it isn't the least bit sexy. This book makes you feel supremely awkward reading it. If you wanted to read an erotic novel, trust me when I say there are better ones than this one. These sorts of novels NEED to be at least a little believable, but no one and nothing makes ANY gosh darn sense. I don't understand how anyone could actually enjoy this book's writing style or content. The only reason this book gets 2 instead of 1 stars is because she's really good at marketing herself.

**DON'T BUY THIS NONSENSE\***

17 of 18 people found the following review helpful.

One of the worst books I've ever read

By hungrywolf

One of the worst books I've ever read, this story had too many plot holes bad grammar and the worst ending ever. The one one good thing about it is at least there is no chance this will be made into a movie, hell this

wouldn't even be made into a low budget amateur porn.

Beyond horrible.

By Kristen

This is a VERY poorly written novel. It is simply awful. The plot is not developed, the characters are not developed, characters come and go sporadically without any sort of understanding or explanation. I hated it, absolutely hated it. Do not buy this book. Please, please, please do not buy this book. It is a waste of time and money.
