Very helpful

By Nate

I am simply beginning my journey with NT Greek, and am loving every minute of it while using this resource. It is very extensive, yet easy to understand. I would highly recommend it.

Great Study Tool

By Alienprincess915

The words are listed in Greek alphabetical order, so at least some knowledge of the Koine Alphabet is required. That said, this is my favorite resource in my collection. I use it alongside my Greek/English parallel Bible.

It's very easy to use if you know how the word is spelled in Koine. It also provides in a few instances cross references. It has the Strong's numbers, but I never did end up using them.

It's Greek to us

By Kay L. Campbell

This is the standard key to those knotty Greek words. For any ambitious Bible student lucky enough to stumble upon a mentor who can help hand over the keys to the realm, Thayer's becomes a lifelong companion to talk about the nuances in the words -- and helpfully keys each word to Strong's concordance so

one can skip about actually trying to figure stuff out.
