THE CORRUPTER: THE COMPLETE TWISTED HYPNOTIC FANTASY BY NEIL BIMBEAU PDF

He's got the power - and if you're a sexy, innocent girl, he's coming for you!

Neil has always had a special gift: the ability to enter the minds of those around him, to stoke their emotions and convince them of things without really trying. He's used these abilities in the past to corrupt good girls into naughty sluts, but he's now decided to use these powers to prove the Theory: a series of questions concerning what can and can't be done through hypnosis. Whether he's turning a goody two-shoes church girl into a nasty nymphomaniac, talking the star of the college volleyball squad to drop out in favor of a career in porn, or convincing a powerful female CEO to embrace a life of drug abuse and prostitution, Neil pushes the limits of hypnosis and the human psyche - creating three truly twisted tales that will stay with you long after the last page!

I love these dark mind control tales. Memory alteration, prostitution, porn startlets... it hit all of my buttons. I sincerely hope this character comes back for another series - I could read a lot more of these.
