All three books of the New York Times Bestselling Fixed Trilogy are included in this bundle.

FIXED ON YOU (Book 1)

Stalking and restraining orders are a thing of Alayna Wither's past. With her MBA newly in hand, she has her future figured out--move up at the nightclub she works at and stay away from any guy who might trigger her obsessive love disorder. A perfect plan. But what Alayna didn't figure on is Hudson Pierce, the new owner of the nightclub. He's smart, rich, and gorgeous--the kind of guy Alayna knows to stay away from if she wants to keep her past tendencies in check. Except, Hudson's fixed his sights on her. He wants her in his bed and makes no secret of it. Avoiding him isn't an option after he offers a business proposition she can't turn down and she's drawn further into his universe, unable to resist his gravitational pull. When she learns Hudson has a dark history of his own, she realizes too late that she's fallen for the worst man she could possibly get involved with. Or maybe their less than ideal pasts give them an opportunity to heal each other and finally find the love their lives have been missing.

FOUND IN YOU (Book 2)

Alayna Withers has only had one kind of relationship: the kind that makes her obsessive and stalker-crazy. Now that Hudson Pierce has let her into his heart, she's determined to break down the remaining walls between them so they can build a foundation that's based on more than just amazing sex. Except Hudson's not the only one with secrets.

With their pasts pulling them into a web of unfounded mistrust, Alayna turns to the one person who knows Hudson the best--Celia, the woman he almost married. Hoping for insight from someone who understands all sides of the story, Alayna forms a bond with Celia that goes too far--revealing things about Hudson that could end their love for good.

This is the first relationship where Alayna hasn't spiraled out of control. And she might lose Hudson anyway...

FOREVER WITH YOU (Book 3)

Alayna Withers relationship with Hudson Pierce has tested both her and his ability to trust. They decide that the only way they can move forward together is with open doors and transparency. It won't be easy for the scarred lovers, but they're committed to each other more now than ever. Alayna, in particular, has grown through their trials, and has emerged more confident and faithful to the man she loves. But while the pair is focused on the future, their past shows up again to threaten their fragile bond. Promises that were made are broken, and Alayna learns that Hudson still has very potent secrets--secrets that will tear them both apart. As much as she feels for him, her ability to forgive and forget is tested beyond her limits.

Even though she found the only man who could fix her, a forever with Hudson seems more and more out of reach.

This is a great deal! Just right click!

By Nvicki

I bought these books individually so getting them all for .99 is a steal.

This trilogy is in my top five reads! The storyline was different and had many twists and turns that you didn't see coming. Alayna has her own issues as well as Hudson and the way they work through them is such a great trip! The final "secret" that Hudson is hiding is a big one! Get ready for a fun, captivating, and steamy read! Grab a comfy spot once you start as you might not be able to stop. Oh, and the ending, just perfect!

FSoG and Bared to you...

By Gracie

I don't understand the rewriting of Fifty Shades/Crossfire series (The same book). It's sooo annoying. Rich guy not rich girl. Problems mentally, controlling, owning of female leads employment, business proposition to female lead, only brunettes, and even smaller similarities like, one brother, one sister... it goes on and on. It's the same damn thing only in this series there's no red room of pain, no BDSM and other subtle differences.

Also, I'm getting pretty dang tired of the string along books. Which all three series have done... Does nobody expect a stand alone book anymore? I did not like FSoG, and Crossfire series wasn't different. (only made through 30% of bared to you - because it was exactly FSoG) I was so hoping this story would be different. My heart sunk when I began reading... realizing it was FSoG AGAIN!! I will not be finishing the series. A guy does not have to look like a model, own half the damn city, be damaged emotionally, claim the woman as property after offering a (sexual) business proposition, and say they don't do romance when in reality... surprise, they actually do. I feel like I've read this book twice already. I gave it 2 stars because at least Alayna was a little more real than Ana/Eva. And Hudson wasn't as bad (in my opinion) than Christian/Gideon. I will definitely read reviews carefully from here on out... if I see even a hint that it is similar to these stories I will be skipping it. I really miss the strong, f- you I'm no body's property, female leads.

wow what a ride

By Naesplace

I purchased this trio because of the 99. Special not gonna lie that is what made my decision, however I am kicking myself for passing this up before now. This story was a fantastic ride full of drama sex love mystery and angst I just loved it. The synopsis gives you the feeling like you have read this storyline already but so not true I was up til 2am to finish it because I was nearly finished and then there was a HUGE twist to the story that I felt.....and it hurt. Read it that's is my recommendation it's a fresh plot that has some really good characters.
