Hot Viking Sex!

By Dagarcia718

Alek Lindqvist doesn't take no for an answer and when he captures Maya, the beautiful virgin and daughter of the chieftan, he will stop at nothing until he gets his fill of the luscious, sweet maiden by first claiming her virginity (but he doesn't stop there!).

The sex scenes were scorchers, the storyline is very well thought out and you will instantly find yourself in a love/hate relationship with Alek (who is a ridiculously hot Viking). I recommend this book to anyone who is looking for something different (and something VERY hot!)

Love Conquers

By Michael Mechant

This was the first Viking story I've read, and I wasn't quite sure what to expect. I was pleasantly surprised at how Ms. Lane wrote the story. Her style is delicate, soft, romantic even. A virgin was taken, and a heart was won over by a domineering man. Their relationship started as something else, but quickly grew into love. I really like how she told the story. It could have been a brutal encounter, but it was so much more than that. If you're looking for a historic romance, I dare say you won't find a better one than this.

So Good!

By The BookWorm

I am so glad that I picked up a copy of this book. Wow, this was one HOT story. There are quite a few different scenes that are just scorching hot and the raw passion between the characters is intense. Best of all while this is a shorter erotic story it didn't feel rushed and I was really satisfied with the way it ended. This story definitely made me a fan of this author.
