Change is good

By Amazon Customer

I originally purchased "When Everything Changes, Change Everything" because of the title. I was curious to see if it was true. What I found was that it was. Like his books "Conversation with God" it leads the reader to ask questions that could result in changes in the reader's life. He gives the reader clear instructions on how to make these changes and why. I recommend this to anyone who seeks to improve their life.

Necessary read for today's times!

By Judith A Swayze

Love his books and with the world in this mess felt it was a necessary read. This is a constant read book and I read it daily and when finished will reread again and again to digest it's contents. What he has to say, I believe is direct from our source where we came from.
